## **At the Movies: Wonder**

It's summertime! Time for sun, camping, swimming and movies. Take a few minutes and explore how the movie Wonder intersect with ancient Biblical truth!

### **Day 1: Psalm 119:73-74, Matthew 10:29-31**

We are all wonders: uniquely created by God for a unique purpose. What makes you stand out? How can you use this to bring glory to God and joy to others?

### **Day 2: Matthew 23:11-12, Luke 9:48**

At Auggie's graduation, the principal quotes Henry Ward Beecher when he says, "Greatness lies, not in being strong, but in the right using of strength; and strength is not used rightly when it serves only to carry a man above his fellows for his own solitary glory. He is the greatest whose strength carries up the most hearts by the attraction of his own." How is this statement similar to these verses from the New Testament? How can you cultivate a servant's heart in your life and the lives of others?

### **Day 3: Ephesians 4:32**

In the movie, we are reminded that we all "carry with us, as human beings, not just the capacity to be kind, but the very choice of kindness." How will you choose kindness today?

### **Day 4: Matthew 5:13-16**

What we do in this life is what people will remember us by. What do these verses tell us about those deeds?

### **Day 5: 1 Samuel 16:7**

God's infinite perspective of our universe includes a glimpse into the hearts of every person on the planet. How do you see others?
