CLASSES

WEDNESDAY NIGHT FALL CLASSES - STARTING SEPTEMBER 12

FAMILY STYLE DINNER @ 5PM | CLASSES @ 6PM

UNAFRAID by Adam Hamilton - with Dave Nash & Sean Thorenson
Break away from your worries and fears and learn to live with courage and hope in an anxious age! Join us to explore the most common worries and fears experienced by Americans today and find practical solutions and insight from Scripture.

EPIC OF EDEN: Understanding the Old Testament by Sandra Richter - with Don Dinger & Brandon Vetter
Let's be honest: It's just easier to study the New Testament. The pre-Jesus part of the Bible can seem so convoluted with lineages, stories, and laws that Jesus came to abolish. Much of what we know about the Old Testament can feel like a grab bag of people, books, events, and ideas. It can be hard for us make sense of it and see how it connects to God's bigger story at all. This class will provide you with a rich understanding of the Old Testament and how it relates to your story. Participants will discover how the big story of Scripture has serious implications for our present. Just because it happened in the past doesn't mean it stays there!

TWELVE WOMEN OF THE BIBLE - with Peggy Neff
It's not easy being a woman in today's world. The demands and expectations you face can be overwhelming. And deep within, there is a longing to meet with God and be changed in His presence. In this study, you will meet twelve biblical women who encountered God, whose lives were forever changed. These remarkable women will encourage you through their failures as well as their successes.
