NEW!!! JAMES BIBLE STUDY

Facilitated by Brandon and Don

Do you remember the first real Christian you ever met? There's a quality about these kinds of people. They step up, put their money where their mouth is, and do the Word of God. Their lives beckon the followers of Jesus to stop phoning it in. James was like this, a true agent of awakening. His life and words operate like a reverse snooze bar. As we start to drift into sleep, his words offer a wake-up call. Join us as we walk through the book of James in our Bibles!

FINANCIAL PEACE UNIVERSITY

Facilitated by Paul

This 8-week money management class will walk you through the basics of budgeting, dumping debt, planning for the future, and much more. Cost is \$99. Scholarships are available.

FIERCE MARRIAGE

Facilitated by Milt and Amanda

We will focus on five key areas of marriage: priorities, communication, money, sex, and conflict. Couples will be encouraged to see marriage as not just a relationship they should try to keep healthy, but also one worth fighting for - in every situation.

WAITING FOR WONDER

Facilitated by Andra

This book study will reveal the wonder that is often missed when we find ourselves struggling to wait well. Walking through the life of the biblical character Sarah, one who knows what it means to wait, you will discover a glimpse of God's character that will give you strength to keep hoping and praying for the desires of your heart.
