CLASSES

CHRISTMAS FROM THE BACK SIDE - Join us for a one-time class, Wednesday, December 11 at 6:00pm in the Sanctuary as we look at the story of Jesus' arrival from a new angle. We'll enter the story through minor characters and unique starting points to help clarify basic teachings and introduce new possibilities of meaning, even for those of us are completely familiar with the Christmas story.

WOMEN WHO MOVE MOUNTAINS — Led by Rita Lepp. Amid our packed schedules and life's curveballs, our hearts long for more. We want to live and love well; we want to be a source of joy and life. The good news is that you can - and the secret is found in the simple act of prayer. Two meeting options for this class include: Tuesdays at the Food Co-Op from 6:00-7:30pm or Wednesdays at Legacy North from 6:00-7:15pm.

WHEN HEAVEN MEETS EARTH — Led by Brandon Vetter and Andy Early on Wednesdays at 6:00pm. What does the Bible really teach about heaven, and what is heavens relationship to earth? We will explore the surprising biblical viewpoint that heaven and earth were meant to overlap, how Jesus is on a mission to bring them together once and for all.
