JANUARY 2020

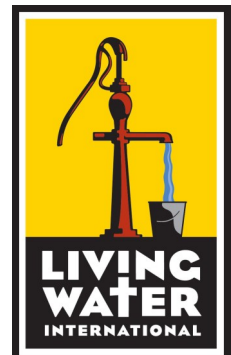

**ONE THING** - Throughout January, we will collect canned soup for The Banquet's Adopt-A-Block program. The program fills a critical void to feed hungry children, seniors and families in low income areas of Bismarck with a food distribution truck that sets up in designated areas and provides grocery items to those in need.

**IMPACT OFFERING** - This month's Impact Offering will go to Mission of Hope. Our offering will allow us to partner with Mission of Hope to meet the most critical need in Haiti: food. Due to rising inflation, political instability, and the devaluation of the Haitian currency, 3.6 million people in Haiti are in a food insecurity crisis.

**DISCOVER LEGACY**— Are you interested in learning more about Legacy Church? You are welcome to join us on Monday, February 10 at 6:30pm at the North Campus. Contact Amanda at [amanda@legacyumc.org](mailto:amanda@legacyumc.org) to register.

**BENEFIT BREAKFAST:** Legacy is sending a team to El Salvador this summer to provide a well for clean water and to share the love of our living water, Jesus. Join us Sunday, January 19 at the North Campus for a freewill offering breakfast and silent auction. Funds raised will go towards the team's goal of \$16,800 which helps pay for the well, airfare and the opportunity to share the love of Jesus. ## **BREATHING ROOM FOR MOMS LED BY JEN NORGAARD**

Do you ever feel like you don't enjoy anything because you're trying to do everything? You're multitasking your way through motherhood filling your calendar, draining your bank account, and missing out on memories along the way. With one surprisingly simple invitation, God offers a way to trade your overwhelming pace for one that will finally bring you peace.

## **INTENTIONAL PARENTING LED BY JEREMY & ERICA SKOGLUND**

No matter how good our intentions, all parents at times resort to quick-fix parenting—things we do to stop a kid's negative or annoying behavior. Quick-fix parenting may temporarily ease a parent's stress level, but it does little to positively impact a child's future. Intentional parenting means we've got more than good intentions; we've got a plan.

## **WHEN DID GOD BECOME A CHRISTIAN? LED BY ANDRA MARQUARDT**

Why does the God of the Old Testament seem so different from the God of the New Testament? In *When Did God Become a Christian?*, David Kalas identifies some common experiences, troublesome passages, and natural reactions that we all encounter while reconciling the God of both the Old and New Testaments.

## **JONAH LED BY BRANDON VETTER**

Join us as we walk through Jonah's life that leads us all to the place where we realize that our God is way bigger than we thought. Are we willing to let God be God, to move us out of our comfort zones, and embrace a calling that might just take us to the edges of the world we know?
