

## HOW WILL FLEX VBS WORK?

While we won't be meeting all together in person to do VBS this year, Rocky Railway is going to be an amazing way for kids to learn that Jesus' power will pull us through! FLEX VBS will be a combination of virtual and hands-on activities that you do at home. Videos can be viewed any time so you can choose to do VBS when it works best for your family. Plus, all the supplies you need will be ready in bags that you can pick up at the church.

Videos will be premiered at [legacyumc.org](http://legacyumc.org) and on the Legacy Kids Rocky Railway event page on Facebook found here: <https://www.facebook.com/events/562084201337100/>

### Here is the video premier schedule:

DAY 1: Monday, July 6 at 10:00 am

DAY 2: Thursday, July 9 at 10:00 am

DAY 3: Monday, July 13 at 10:00 am

DAY 4: Thursday, July 16 at 10:00 am

During the videos, there will be lots of opportunities to pause for discussion questions and hand-on activities. This will give kids a more interactive, hands-on experience. Parents are encouraged to join their kids during this adventure, but older elementary kids will be able to navigate on their own if that works better for your family.

**Please note:** Rocky Railway FLEX VBS is geared for elementary-aged kids, though older preschoolers are welcome to join the fun.

# JOIN THE FLEX VBS ADVENTURE!

## REGISTER YOUR KIDS!

At Legacy, VBS is free for all kids, but registration is required. Early registration is encouraged so we can ensure that we have supplies for everyone.

Register kids here: [www.legacyumc.org/vbs](http://www.legacyumc.org/vbs)

## PICK UP VBS FLEX PACKS!

We will have supply bags available for registered kids beginning June 28. We plan to have times for families to drive up for car-side delivery in the Legacy Church loop. Watch for more information as we get closer to July.

## INVITE YOUR FRIENDS!

This year it will be easier than ever to invite friends, neighbors and family to join your kids at VBS! Just share our Facebook event page. You could even offer to pick up their supply bags for them.

If your family is comfortable having a few extras in your home, you could also invite friends to join you each day of VBS. This option will allow you to connect with kids in a way never before possible at VBS. Help us out by making sure all kids are preregistered and let us know who's joining you on the registration form.

## VOLUNTEER!

We need amazing people like you to make FLEX Rocky Railway VBS the best it can be! Contact [suzanne@legacyumc.org](mailto:suzanne@legacyumc.org) to join the team! Some ways to volunteer include:

- **Virtual Crew Leaders** to connect with a few families with phone calls, texts or e-mails during VBS. (If you are hosting some friends for VBS, you can be the Crew Leader at your house!)
- **Supply People** to put together and help distribute the Flex Packs of supplies at the church.
- **Station Leaders** to present material in video segments.

## NEED SOME HELP?

Please contact [suzanne@legacyumc.org](mailto:suzanne@legacyumc.org) if you have any questions.

Need someone to be there to help your kids through FLEX VBS? Legacy has some amazing middle and high school students who are willing to come to you! If you are interested in having one or two students lead your kids in VBS at your home, please contact [vicky@legacyumc.org](mailto:vicky@legacyumc.org).
