Legacy's Values and Staff Expectations

As Pastors and Staff of Legacy United Methodist Church, we set the pace by modeling the Christian life for our congregation and help shape the heart and character of this church. We must do our best to live out in and out of the church: **Radical Hospitality**, welcoming and blessing all people God brings into your life. **Passionate Worship**, attending worship every week, in person whenever possible. **Authentic Faith Sharing**, sharing Jesus in word and in deed. **Intentional Faith Development** committing to spiritual growth and life group participation. **Extravagant Generosity**, contribute financially with the tithe being the target towards a lifestyle of generosity, and **Risk-Taking Mission & Service**, serving in hands-on ways to build the Kingdom.

We embody our church's values. These values guide our staff toward a vigorous pursuit of the Christian life and effective service. The staff expectations (in abbreviated form) are to be **Christ Centered**, through actions and words. We are **Committed**, to produce quality work and take personal responsibility to serve others and cultivate volunteers. We are **Courageous**, as we approach challenges with optimism, flexibility and creativity. We are **Compassionate**, encouraging, humble, and gracious, even when under stress. And we are **Continually Improving**, as we set high expectations to improve ministry and self.

We know with God's help, we can pursue and achieve the highest standards of holy living, building a Christ-Centered staff culture and setting the pace for the church.
