

JUNE 20- LA LUNA: SAME GOAL, DIFFERENT APPROACH

AT THE **MINI**
MOVIES

START TALKING | ASK A QUESTION TO GET YOUR GROUP TALKING.

- Who was the person in your life that helped you grow closer to Jesus? Parents? Grandparents? Relatives? Friends? How did they help you grow?

START THINKING | ASK A QUESTION TO GET YOUR GROUP THINKING.

- La Luna, a short film that premiered with Brave, is a story about passing on our skills and abilities to the next generation, allowing them to do the same job their way.
- Read Proverbs 22:6
- If you have children, what are specific ways we can help them grow closer to Jesus?
- If we do not have our own children, we still play an important role. It takes at least 5 adult Christian relationships to help 1 student stay with Christ.
- What are specific ways every Christian can help the next generation keep the faith?

START SHARING | CHOOSE A QUESTION TO CREATE OPENNESS.

- Read Proverbs 22:6 again.
- Does the passage say children will never leave the right path?
- No. This passage implies children just might leave the faith. But, due to a solid foundation, will likely return to it when it is older.
- If you are comfortable, share a story, from your own life or one you know, of people that have walked away from Jesus only to return.
- What made them leave? Why did they come back?
- What is the best approach and attitude to those who have left the faith?

START PRAYING | BE BOLD AND PRAY WITH POWER.

Jesus, we give you thanks for all the Christians who have come before us, to show us what it looks like to follow you in our normal, everyday, running around life. Help us to do the same for the next generation, to show them the hospitality and gentleness and generosity of spirit that was show to us. Help us lead boldly and passionately. Amen.
